Lab 9 Report

System-level Design Wrap Up

Date _ May 16, 2017_____

by

Name _____Anahit Sarao_____   SID __008435583__

Name ____Maxwell Cheshier____   SID _009193717__

Scope of Your Work

Utilized all the skills in this class in order to fully integrate
multiple modules to create a feature rich calculator

Accomplished Tasks

Several modules were accomplished for this lab many
of which were previously designed but required
integration including creating adder, subtraction,
multiplication, and division modules in order to create a
functioning calculator
